Board for Research Ethics at Åbo Akademi University

Statement

Project: Physiotherapy pain education in Finland: a faculty study
Principal investigator: Jolanta Ehrström
Location: Faculty of pedagogy and Welfare Studies

The Research Ethics Board has examined Jolanta Ehrström’s application for ethical approval for the above-mentioned research project.

The Research Ethics Board notes that the project description is very clear on its overall management with regard to research ethical aspects. As no personal information are collected, and anonymity as well as informed consent is properly handled, there are no problematical issues involved.

The research project can thus be implemented in this form.

Åbo 17th of August 2017

The Board for Research Ethics at Åbo Akademi University

Mikael Lindfelt
Chair of the board

Anne-Leena Gröning
Secretary of the board
