

## How to start the course: Energy Transition and Sustainable Economies

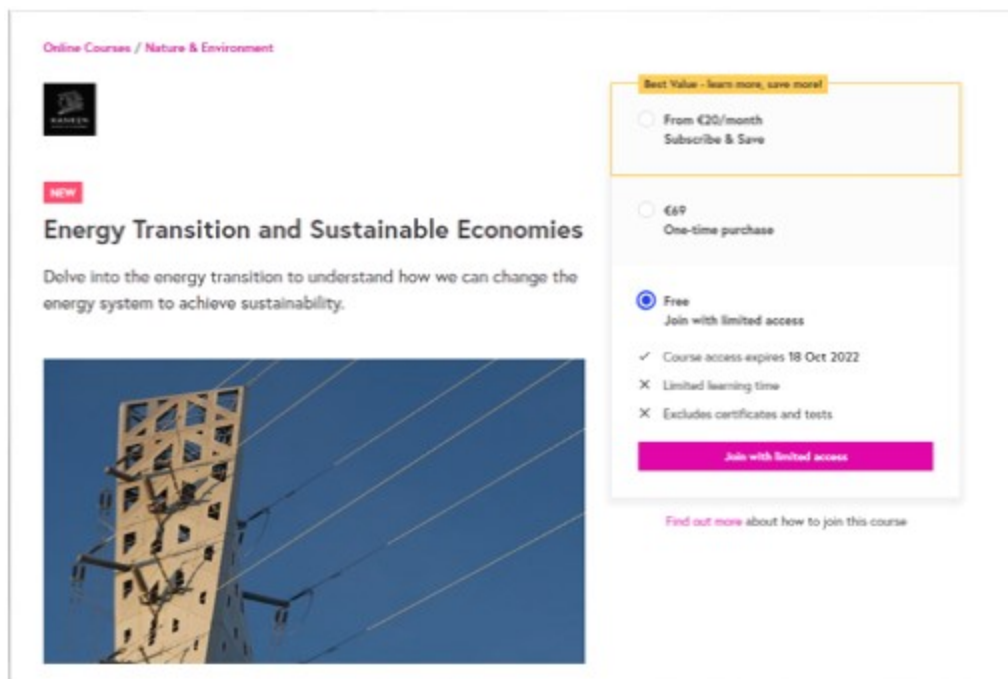

This courses' learning material is given in MOOC format on an external platform called FutureLearn. You need to create an account on FutureLearn in order to access the course material.

### STEP 1:

Go to <https://www.futurelearn.com/courses/energy-transition-and-sustainable-economies>

And choose the option "Free - Join with limited access". This gives you 5 weeks access to the learning material. You are not expected to purchase one of the paid access options on FutureLearn. No learning content on this course is behind a pay wall.

PICTURE 1: CHOOSE FREE AS THE OPTION FOR JOINING THE COURSE AND CLICK "JOIN WITH LIMITED ACCESS"

### STEP 2:

Register or sign in if you have an existing account. You can also sign in using your social media accounts.

Next, you are prompted about email options. When you have made your selection, choose save and go to course. Now you are enrolled and can start learning. The course is divided into five weeks but you can navigate through the content at your own pace. We recommend you to take notes, keep a learning diary and save links to help you study for the exam.

**STEP 4:**

When you have finished the course on FutureLearn, return to Moodle. In Moodle you will find the exam for this course. In order to be awarded study credits (3ECTS) for this course, you need to complete the exam with a passing grade. You are allowed to use your notes when taking the exam.
