

ISEP study abroad

Katie Fagerström

Vad är ISEP?

- International Student Exchange Programs
- ISEP är ett utbytesnätverk med cirka 300 universitet i över 50 länder
- Man ansöka att åka på utbyte via ISEP nätverk
- Man sätter 4 -10 universitet i ISEP ansökan och man får besked om vart man får åka från ISEP senast i maj eller oktober.
- Utbytesplatserna i ISEP fördelas av ISEP själv så det finns internationell konkurrens
- ÅÅ nominera cirka 10 studenter till ett utbyte med ISEP, **inte till ett visst universitet**

Hur funkar det?

- Universitet inom ISEP nätverk är klassade enligt chans att få plats (chance of placement)
 - Excellent (lätt att få plats)
 - Very good
 - Good
 - Fair
 - Limited
 - Very limited
 - Most competitive (jättesvårt att få plats)
- Välj 4 -10 universitet från varje kategori av universitet.
 - Välja ett/några universitet från varje kategori och endast ett "most competitive" alternativ och det ska vara först.

Vilket universitet?

- Bestäm:
 - Vart du vill åka via ISEP – vilket land/världsdelen?
 - När du vill åka?
 - Vilket språk du vill studera på?
- Sök för universitet inom ISEP som passar dig via ISEP sök funktion
- Söka kurser som de erbjuder via länkarna (se till att de erbjuder kurser inom ditt ämne)
- I sökstadiet av ansökan ska du endast lista vilka ämnesområden per universitet du är intresserad av att studera; först när du blir placerad ska du lista enskilda kurser.
- Se vilka universitet du kan läsa ditt ämne på via [isepstudyabroad.org](https://www.isepstudyabroad.org)

Fort Lewis College

<https://www.fortlewis.edu/>

Fort Lewis College is an undergraduate liberal arts college that prepares students for success in life, graduate studies and professional careers. Established in 1891, Fort Lewis offers over 90 different academic programs that emphasize excellent education, personal development and preparation for leadership through experiential learning, undergraduate research and internships. With an average class size of 21, students receive highly personalized instruction. The College has over 3,850 students from 48 states and ten countries with 28 percent of the students from 35+ diverse backgrounds, including more than 19 percent Native Americans. The Center for Sustainable Studies, one of the many new state-of-the-art facilities, offers numerous resources for the study of natural sciences. As Colorado's only public liberal arts college, Fort Lewis College will provide you a world-class education on one of the most beautiful campuses in the nation.

Spring (June - August)

Academic Year (August - April)

enjoying community with a small town atmosphere. The historic downtown offers a variety of shops, restaurants, galleries, and the Durango and Silverton Narrow Gauge Railroad. The regional airport, served by four major airlines, is just 20 minutes from downtown.

International students have many opportunities to participate in a wide range of extracurricular activities including Outdoor Pursuits, intramural sports and over 70 student organizations. The student-organized International Club brings together international and American students for cultural exchange, social activities and travel. International students are also invited to sign up for the Host Parent Program (non-residential) which is designed to help ease the transition for students new to Fort Lewis College, to provide support and friendship, to introduce new students to Durango and the Southwest region of the United States and to provide a real-life experience for students apart from the everyday college perspective. Athletic facilities are available for use for ISEP students free of charge.

ISEP STUDENT ADVISOR

Jolene Bechtel

703-504-9995 | jbechtel@fwsp.org

Thanks for your interest in ISEP Study Abroad! I'm your Student Advisor and main point of contact here at ISEP. As you search for programs, I'll be available to answer any questions you might have. Feel free to contact me at any point in your search process for help, tips or advice.

[Learn More](#)

Fort Lewis College is Colorado's crossroads of education and adventure. Its blend of small classes, dynamic academic programs and a liberal arts perspective leads to transformative learning experiences that foster entrepreneurship, leadership, creative problem solving and life-long learning. Its unique and beautiful mountain campus, on a mesa above historic Durango, inspires an active and friendly community with a spirit of engagement, exploration and intellectual curiosity.

Strong fields include Native American and Indigenous Studies, adventure education and business. Many courses include opportunities to get off campus and explore this region as a living, learning laboratory. Fort Lewis College is proud to offer small class sizes and low student to teacher ratios.

HOUSING

Housing is located on campus and is a 3-minute walk to the dining hall and student union building across the street. Housing is in double occupancy rooms with 2 students per room.

Apartments do not close during vacation periods. Students are free to come and go without checking in or out.

MEALS

Students will receive "Dining Dollars" per term to be used at campus dining and grocery facilities. Students will receive an additional stipend the week prior to vacation period to be used to prepare meals or use at local restaurants.

*Calendar Year students are not eligible for ISEP housing or meal benefits over the summer break.

Course Description

To view courses, visit the online [course catalog](#) and then choose an academic year on the left panel. Course information for future years may be incomplete or unavailable. Once you have chosen a year, click 'Course Descriptions' on the left panel and then search by subject or keyword. Click on each course title to view a brief description. Fall course schedules are typically posted in March; Spring course schedules are typically posted in October.
