- **TUUDO is best to check your class schedule and have it on your phone.**

# TUUDO

# MOODLE

<https://www.abo.fi/en/study/moodle/>

- At Åbo Akademi University we use the learning platform **Moodle**, where you will find the assignments and course material for most courses.
- Submit assignments, receive comments, feedback, grades
- You need to be registered for the course in Peppi before you can access the course pages in Moodle
- Usually you also need to register for the course in Moodle separately – course key will be given by the teacher when the course is available for you to access

# Remember:

- Enroll to your courses over the weekend.
  - If you have problems with peppi and enrolling to your courses, send us a mail at [exchange@abo.fi](mailto:exchange@abo.fi) **AND** email the teacher of the course that you would like to enroll to the course and for info of when the course will start.
- Set up your TUUDO app so you can easily see your schedule
- Check your Åbo Akademi email regularly
