

Hi!

My name is Dedar.

I'm thrilled to be one of your tutors and will put forth my best efforts to provide you with the utmost support, ensuring your time in Turku is seamless and enjoyable! 😊

I come from a small yet renowned town for having the world's longest sea beach, known as Cox's Bazar.

Understanding the potential confusion that comes with navigating a new country, I am excited to extend a warm welcome to Finland and show you around the city! Please feel free to reach out if you have any questions or simply say hello if you spot me on campus.

Currently, I'm pursuing master's studies in Social Exclusion at Åbo Akademi.

During my leisure time, I find joy in immersing myself in nature, socializing with friends, and engaging with various student associations.

Let's create some wonderful memories together! 😊
