

Hello..

I am Manu Thankachan, a Master's student at Åbo Akademi University. I am delighted to be one of your tutors here at Åbo Akademi. I specialize in Chemical Engineering, a field I find truly enjoyable.

Outside of my academic pursuits, I have a passion for cooking and engage in travelling. I am very approachable and enjoy connecting with new people, so I eagerly anticipate the opportunity to meet and get to know you!

Feel free to reach out if you have any questions or if there's anything I can assist you with.
