

Hello! My name is Charlotta Liitiäinen, or Lotta for short, and I'll be your tutor for the upcoming year. Unfortunately, I won't be present at the orientation week, but Evelina has been kind enough to substitute for me during that period.

I'm a fifth-year English student on the teacher's track and my minor was comparative literature. I have been quite an active member in our student organization Britannica, but recently took a year off studies, so I am slowly getting into the loop again.

Feel free to ask if you have any questions! I can't promise I know all the answers, but I do know how most things work at Åbo Akademi, and who to ask for more specific answers.

I look forward to meeting you all in September! Until then, enjoy the summer ☀️

Hello! My name is Evelina Salo and I'll be helping Lotta out as your tutor during the orientation week. I was a tutor for master's students last year, so you can also contact me in case you have any questions about the orientation!

I will be starting my second year of master's studies and my fifth year studying English Language and Literature upcoming fall. I am very active in the university and student organizations, and I am also currently on the board of Britannica, i.e. the student organization for English students!

Lotta will be your main tutor after the orientation week, but if you see me in the hallways on campus you can ofcourse tug me in the sleeve if you have any questions or worries! I look forward to meeting you all;)
