

University Chaplaincy in Turku

- consists of a team of three University Chaplains one of whom is the chaplain of the Finnish speaking vocational schools and school of applied sciences and one of whom is the chaplain of the Finnish speaking students and personnel of the University of Turku
- the University Chaplain for all international students, personnel, doctoral candidates etc. of Åbo Akademi – and the University of Turku – is the one in the photo, pastor Mia Pusa (mia.pusa@evl.fi, +358-40-3417296)

What the chaplaincy offers for students

- we offer counseling to all university students and personnel free of charge and are 100% committed to all aspects of non-discrimination
 - i.e. you are always welcome!
- and we are involved with different teams and projects connected with the university whose aim is to better the well-being of university students and personnel in Turku
- we also offer a space close to the campus for groups to get together, and another one for studying
- we do also baptize, officiate at weddings and do the same things as pastors usually do

Counselling

- is available for you if there is something on your mind that you would like to talk about with someone other than your closest circle of family and friends
- a Christian faith is not required nor being religious at all, but spirituality; religion can certainly be discussed if that is what you would like
- counselling is available free of charge, bound by professional confidentiality and the University Chaplaincy bases all its work on the principles of safer space
- a place for counselling can be the Campus Chapel or the chaplaincy's counselling room at Student House B, room 119 or some other place that works well for you
- other possibilities are a counselling walk and counselling via Zoom or Teams

Campus Chapel

- Kampuskappeli (Campus Chapel) at Rehtorinpellonkatu 4C is a space which the chaplaincy offers free of charge for university students' group gatherings
- there is room for a about 20-30 people in the chapel with three couches and several tables and chairs; there is also a teeny tiny kitchenette
- at student house B (1st floor) there is also a Study Space for all university students to book with space for around 5-7 people
- you can book both these spaces through the TYY website (<https://www.tyy.fi/en/members/rentals/campus-chapel>))
