

Hey! I'm Onni, and I hail from Brussels, Belgium. I'm currently studying Marine and Environmental Biology, which fits me well since I love being outdoors and close to nature.

People often describe me as helpful and easygoing. I enjoy getting to know new people and making sure everyone feels welcome. In my free time, you'll probably find me playing hockey, watching movies, or out exploring somewhere (preferably near the water).

If there's anything you're unsure about or just want to chat, feel free to reach out at [onni.walden@abo.fi](mailto:onni.walden@abo.fi). Looking forward to meeting you soon!
