

# Hello and welcome!

I'm Augustina Adetunmbi, a master's student in teaching and learning from Nigeria.

Since starting my studies here, I've picked up some creative hobbies, like knitting and sewing – a fun fact: I only just learned how to sew, and now I'm hooked on designing custom tote bags (I even made one with six pockets!).

Outside academics, I enjoy watching movies, spending time in nature, and connecting with people.

I know settling into a new place can feel overwhelming at first, but you're not alone. I'm happy to help – whether it's with studies, finding your way around, or simply sharing a good laugh (though be warned, even a creaky door can startle me!).

**If you have any questions or need support, feel free to reach out to me at**

I hope you feel at home soon. Let's make this journey meaningful – together!
