

A Warm Welcome to Our New International Law & Human Rights Students!

About Me:

- ☐ Moi! My name is Monica
- ☐ I'm a 2nd year Master's Degree student & tutor
- ☐ Studying International Law & Human Rights
- ☐ Where I'm from is difficult to answer as my ethnicity, nationality & the countries I have lived in the longest are all different! I guess "home" is a combination of Finland, England, Germany & India
- ☐ Outside of studying I enjoy playing sports, exploring nature, thrifting & travelling
- ☐ Fun Fact - I was in a mobile phone commercial for India, but everything was shot in Helsinki, Finland

I really look forward to meeting you all and I'm always happy to help with any questions
