

Hello! My name is Julia Näs and I will be an exchange tutor this autumn! I am 22 years old and I'm from Nykarleby, but have lived in Vasa for three years now. My subject of studies is early childhood education.

In my spare time I like to hang out with my friends and family, play games and play some guitar (I'm not very good yet haha). A fun fact about me is that I love to learn new languages and I would like to learn a few phrases in as many languages as possible!

I'm really looking forward to this autumn and I think it's going to be so much fun! I hope you are excited as well. If you have any questions, don't hesitate to contact me on [julia.nas@abo.fi](mailto:julia.nas@abo.fi).

Welcome to Vasa and see you soon! 😊
