

# Moi!!

## I am Ashir

I'll be one of your tutors for the upcoming intake. I'm currently pursuing my Master's in Information Technology. Originally from India, but my heart is spread across different places—I love Belgian waffles, the Northern Lights in Lapland, and Italian tiramisu. Besides hitting the books, I'm also a board member at ESN Åbo Akademi, so hit me up if you're interested in parties and events!
