Welcome message:

Hello and welcome to Vaasa!

My name is Truls, I am 22 years old, and I will be one of your tutors this autumn. I am a friendly, curious person who enjoys learning new things and meeting people from diverse backgrounds. In my free time, I enjoy doing different activities and spending time with friends and family. I also like travelling, exploring and learning about different countries' cultures.

I know that it can be difficult to move to a new country where you don't know anyone or recognize yourself, but don't worry, you are not alone. I will do my best to make your exchange unforgettable and ensure you have an enjoyable time here. I will of course also help you to get familiar with the university. If you have any problems during your visit, I will do my best to help you resolve them.

Feel free to reach out anytime if you have any questions about your exchange or just want to get to know each other better. I am looking forward to meeting you and having a good autumn together!

See you next autumn!

Best regards,

Truls Boucht
